Simplified visa procedure for family members of EU citizens

Simplified visa procedure for family members of EU citizens

Who can use the procedure:

REMEMBER: The procedure applies exclusively to family members of EU citizens who do not have Polish citizenship or do not reside permanently in Poland.

EU citizens are:

- citizens of EU Member States,
- citizens of Iceland, Liechtenstein, Norway and Switzerland.

A family member of an EU citizen is considered:

- his spouse,
- a partner with whom an EU citizen has entered into a registered civil partnership on the basis of the legislation of that Member State, provided that the legislation in that State recognizes the equality of formal civil partnership and marriage,
- a child under the age of 21 who is dependent on an EU citizen, his or her spouse, or partner.

What rights does it give:

- Visa application is free of charge;
- Your application will be accepted at the diplomatic mission without the need for prior registration.

Required documents:

- Printed and signed visa application form (filled out on the [e-konsulat website](#))
- Current color photo measuring 3.5 x 4.5 cm
- A valid passport
- A document proving marriage or civil partnership with an EU citizen
- A document confirming the fact of accompanying an EU citizen during the trip or joining him at the place of residence

Visa refusal:

The consul refuses to issue a visa by making a decision. The decision to refuse to issue this type of visa can be appealed to the Minister of Foreign Affairs.
